STOCKS		

The stock market to-day was moderately active and the course of prices was very irregular. In early dealings weak tone prevailed and prices declined 4 $\frac{1}{2}$  per cent. Louisville & Nashville, Denver & Rio Grande and Missouri Pacific, leading the downward movement. After the first call there was a steadier feeling and a partial recovery, but at noon renewed depression prevailed and lowest quotations of the day were current. Shortly after 1 o'clock and during the afternoon there was some recovery but near the close was lost again and the market closed generally lower than yesterday. All along the specialties there were some sharp changes.

Following are the closing bids.
